LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."-Mrs. S. A. FIELDS, Bloomfield, Ia.
